The directions for the lines to be followed with the blade are marked by figures as 1 to 1, 2 to 2 etc. The white spaces and dotted lines denote also a division and direction for cutting. When cut, place the component parts correspondingly to the marks and through the loops arranged on the tablets № I & II.

Directions for cutting the component parts of the Alphabet

Cut the linear parts with the penknife assisted by a ruler, and if not experienced to cut curved lines with the blade use the scissors.
